# Pascack Val. reaches deep

## Indians place in six events

Greg Mattura  
Correspondent

RIDGEWOOD — Pascack Valley showed how important it is to have depth as the Indians' girls track team used a group effort to capture first place in the Ridgewood Relays small-group meet Saturday.

The Indians totaled 38 points by finishing in the top five in six of the 15 varsity scoring events on this blustery day. Pequannock finished fourth with 18 points in the 68-team meet, which placed schools with more than 700 students in the afternoon competition and the other half in the morning meet.

Ridgewood finished in third place with 21 points in the afternoon meet, which featured schools from New Jersey and New York. Middletown South finished first in the large-school competition with 33 points and Voorhees second with 21.

Pascack Valley finished first in five of 23 scheduled events: shot put, discus, long jump, 400-meter hurdles, and the sophomore 3,200. The Indians finished second in the intermediate hurdles and third in the 6,400 meters and triple jump.

"We had two girls out," said Pascack Valley coach Dave Ascitutto, whose team has 39 members. "But in relays, we're always better because we have a lot of depth."

The Indians' 200-meter hurdle team captured the Group 3 indoor title and looks just as strong outdoors running twice that distance. Senior Colleen Commerford and juniors Susan Maruska, Adele Borgonouni, and Lori Rogoff finished in 1 minute, 11.4 seconds.

"I think pretty much everyone that ran for us was in midseason form," said Commerford. "And I don't think running twice the distance we did will be a disadvantage because all of us are equal in our times. We have depth. But other schools only have two or three sprinters and they have to find another one."

Pascack Valley's Lori Rogoff,

Lisa Clark, and Lauren Viscardi won the long jump in a combined 41 feet, 6 inches to earn six more first-place points. Tina and Melissa Pellecchia teamed with Kim Antonacio to win the discus in 207-1½. The two Pellecchias combined with Maruska to take the shot put with an 84-9½.

Ridgewood outdoor coach Jacob Brown was satisfied that his team placed third among 34 teams, considering the exceptional competition. But Brown said the Maroons will have to show improvement to repeat as state Group 4 champions.

"All things considered I was happy," said Brown. "We can see what we have to do. We've got some work to do. We also need Jean Hughes to come back. She has mono and she might be back in a week, but it also might be longer."

Ridgewood's Alfreda Eldridge made the second-best throw of her career to help the Maroons finish first in the discus with a 253-4½. The senior came within one inch of tying her career-best throw with a 102-6. The throw was the second-best individual toss of the day.

"For the first throw of the year, and having the rain and cold, that was a good throw," said Eldridge, who teamed with Louise Pallone and Allison Barbeau for the victory.

Ridgewood finished second in the triple jump with a 93-1½, and in the 1,600-meter relay with a 4:13. The Maroons also came in third in the distance medley and the long jump (41-4¾) and fifth in the freshmen 1,600 meters (5:07.6).

Kinnelon and Caldwell were the only other local teams to finish first in any of the 48 events. The team of Maria Moran, Krista Schunder, and Katie Gallagher of Caldwell won the javelin in the small group with a 243-4.

Caldwell finished first in the distance medley in the small-school meet. Eileen Searing, Andrea Valenti, Lena Furuhata, and Jennifer Nesbitt ran a 14:16.8.

# WV girls, Ramsey boys stand out

By Greg Mattura  
Correspondent

PARAMUS — Wayne Valley girls track coach Bill Stearns received a pleasant surprise from an underclassman, who helped the Indians finish with a not-so-surprising first-place finish in the Bulldog Relays Saturday.

Sophomore Diana Crenshaw ran her best time of the season in the distance medley to help Wayne Valley finish first and earn six first-place votes on the way to winning the girls team title at Bergen Community College.

Wayne Valley's 23 points edged out John Jay, 22, and Kennedy, 21, in a meet that featured more than 70 schools from as far north as Albany, N.Y., and as far west as Hackettstown. Ridgewood finished tied for seventh with 14 points.

"Crenshaw ran her best time by 11 seconds and that was a real bright spot," said Stearns, who was very happy with his distance medley team's achievement. "I think it's good because there were a lot of schools from New York that are good distance teams, so that was a good showing."

Cathy Feeney, Cyndi Roc, k and Courtney Seitz teamed with Crenshaw. The Indians' Leslee Frederickson and Amy Biasucci finished first in the javelin with a throw of 190 feet 8¼ inches. Wayne Valley was second in the 6,400 meters (22:41), third in the shuttle hurdles (1:17.1) and 3 x 400 intermediate hurdles (3:42.9), and fifth in the triple jump (57-1½).

Ramsey finished second in the boys division with 20 points, behind boys champion Boys and Girls High of Brooklyn, N.Y. The Kennedy boys team finished in a three-way tie for fourth with 16 points. Teaneck was tied for eighth with 15 points and Paramus Catholic was tied for 12th with 11 points.

Randie Mabie and Jason Bruno helped Ramsey, stronger in the field events and a top-five finisher in six varsity categories, to second place in the boys division by winning the pole vault with a two-man

total of 23 feet, 6 inches.

Ramsey finished second in the discus (253-1) and triple jump (82-3) to earn eight more points in the 6-4-3-2-1 scoring system and third in the 6,400 meters. The Rams also finished fourth in the distance medley (11:07.4) and fifth in the shot put (87-6).

"We know we can't run as well with the bigger schools," said Ramsey coach Ray Weyhenmeyer, whose school has less than 800 students compared to almost 4,000 at Boys and Girls. "But we're very good in the field and we can hold our own on the track."

Teaneck's Rasheed Goodlowe and Gerald Spears were most successful Bergen-Passaic competitors as each went home with two first-place medals. Goodlowe and

Spears jumped a combined 85-5 in the triple jump and 39 feet in the long jump.

"We could have done better, but the cold had an affect on us," said Spears, who jumped a 20-9½ in the long jump and 44-7 in the triple jump and is a second-team All-County selection in five events. "But we won and that's all that counts."

Dave Patakey, Ben Pollinger, Mike Lilley, and Clayton Borchard helped Paramus Catholic capture first place in the 6,400 meters with a time of 19:01. The Paladins also took third in the pole vault (21-6) and fourth in the sprint medley (3:43.1).

The Kennedy girls placed in six events, including second-place finishes in the high jump (11-10) and

pole vault (23). The Knights took third in the 400 meters (44.9) and 800 meters (1:54.7), and fourth in the shuttle hurdles (1:09) and triple jump (79).

"This was our first outdoor meet of the season because our other one was canceled, so I'm thrilled, surprised, ecstatic," said Kennedy coach Alma Pinder. "I predict we'll have a state championship some place."

Alfreda Eldridge and Louise Pallone combined for a 64-5½ to finish first in the shot put for Ridgewood. The Maroons placed third in the sprint medley (4:25.9), fourth in the long jump (27-10) and 6,400 meters (24:06), and fifth in the shuttle hurdles (1:24.7).

# Saddle Brook, Ridgewood

## take girls team crowns

By Paul Schwartz  
Correspondent

**TENAFLY** — Neither Saddle Brook nor Ridgewood had many individual stars at the 12th Bergen County Jack Yockers Relays, Saturday, but both schools had enough depth to claim the girls team titles.

Behind its freshmen sprinters, weight athletes, and a recuperating distance team, Saddle Brook scored in 13 of the 15 events, to defeat Waldwick and Englewood for a record fourth Group 1-2 title, and first since 1980. Saddle Brook posted 43 points, Waldwick 30, and Englewood 29.

Ridgewood, no longer the dominant team of the past, still won

three events and scored in seven others to clinch its eighth consecutive Group 3-4 title against Teaneck and Pascack Valley with the long jump scheduled for today, 2 p.m., at Ridgewood. The Maroons recorded 34 points, Teaneck 26½, and Pascack Valley 25.

Saddle Brook was never threatened, winning the high jump and distance medley Friday and posting a victory in the 6,400-meter relay Saturday.

"When we picked up some young freshmen in the sprints, which helped us get some points in those events, it added to our weight team where we knew [freshman] Lark Rivetti could also get us points," said Saddle Brook

coach Darren Ressler. "Then with Jenny Nuccitelli and Cathy Acevedo back from their injuries, we knew we could count on the distance team to get us a lot of points."

The distance team, led by Nuccitelli, her sister Krissy, Acevedo, and Suzi Zubcak, scored 16 points in their three running events.

The points helped the Falcons overcome performances from Waldwick's Lee Duck, Kim Giordano, Claudia Jimenez, Jane Mennella, and Alicia Sutherland, who combined for four victories. Duck

had a role in all four victories, and Giordano competed in three.

An improving Englewood team won two events and finished second in four others, and Lyndhurst won all three weight events as Elena Primerano and Dawn Johnson participated in each victory.

Because of the absence of Jean Hughes with mononucleosis, Ridgewood's strengths, the 3,200 and 6,400, produced just five of the expected 12 points. But coach Jacob Brown's team still won the distance and sprint medleys, with Lynne Collazo anchoring brilliant-

ly in each race. Ridgewood also won the triple jump, led by state record-holder Jen McDermott.

"We're trying to integrate some new kids in and we've got a little 'senioritis,'" said Brown. "We have a new freshman in Eileen Fitzgerald, who ran on the distance medley and gave us a nice leg and also helped us in the 3,200 and 6,400, where we were just pleased to get any points at all."

The Maroons were helped by a balanced opposition, which included 10 different teams winning events. Bergenfield, Cliffside Park, Fair Lawn, Indian Hills, and Pascack Hills recorded more than half of its team score by winning its strongest event.

"I remember the first year we did that in this meet," said Brown. "We wanted to feature some kids and get them psyched to perform well."

The individual standouts in Group 3-4, besides Collazo, who won the Jacob Brown award for outstanding track performance by anchoring the distance medley in five minutes, 13 seconds and clocking a 2:20 in the sprint medley, were Teaneck stars Nicole Golden and Matilda Miranda.

They ran legs on Teaneck's winning 400, 800, and 1,600 teams and Miranda raced to a 58.2 400 anchor in the 1,600 relay.

COMMENTS:

WE WON 11 OF 14 EVENTS - HOWEVER UNDERCLASS PEOPLE ONLY SCORED 23 POINTS. WHAT DOES THAT SAY FOR NEXT YEAR?

JEN McDERMOTT CONTINUES TO ASTOUND - WINNING 4 EVENTS. LYNNE COLLAZO HAD A VERY UNUSUAL TRIPLE AND LIZ FISLAR CONTINUES HER OUTSTANDING RACING.

ALFREDA ELDRIDGE WAS SOLID IN THE THROWS.

# Israeli sprinter treats Tenafly to record runs

By Bob Kurland  
Record Staff Writer

**TENAFLY** — Gily Dishon, Israel's gift to Tenafly, turned in a spectacular sprint-double Tuesday night as she shattered two Bergen County records in the 11th annual Bergen County Girls Meet of Champions.

Dishon pulled away from Teaneck's Nicole Golden in the final 10 meters to win the 100 in 11.9 seconds. The time also shaved 0.1 seconds off the Israeli junior record.

And she repeated the effort in the 200 by easily defeating Golden with a 24.7 clocking. She also shattered the Israeli record.

"I hope they acknowledge the times back home," said Dishon, who was presented with the Lou Lanzalotto Award as the outstanding competitor in the meet. "I and others held the record of 12 seconds. And I think the 200 record is 24.9.

The county record of 12 seconds was set by Michelle Forrester of Teaneck in 1983. She was in the stands at Tenafly when her mark was erased. The record in the 200 had been the 24.9 held by three runners.

In addition to Dishon, the other award winner was Elena Primerano of Lyndhurst, who captured her third consecutive javelin title and was presented with the Red Littler Award.

"I was really hoping to break the record," said Primerano. "I set the record as a sophomore with 124 feet, and last year I came back with 134-10."

The senior's final appearance in the meet netted a throw of 132 feet, 7 inches, 17 feet longer than runner-up Danielle Galla of Cliff-

side Park.

Primerano is shooting for the state championship and is hoping to unleash a 140-footer before her high school career ends. Next season she'll be throwing the javelin for Rutgers.

Another repeater was Jen McDermott of Ridgewood who took the triple jump with a 38-4½, two inches shy of her meet record, and the long jump with 18-11.

"I'm glad that I won," said McDermott, who will compete for Georgetown next season. "But I'm unhappy that I'm not jumping in the 19s. It's different in the triple jump as I've gone 39 three times this spring."

The most intriguing part of the meet was that many underclassmen did well. The most impressive was freshman Monica Biro of Pascack Valley, who knocked 6.5 seconds off her best time to win the mile in 5:13.5.

Sophomore Melissa Wyka of Fair Lawn won the 3,200-meter run in 11:37.2, just ahead of Mahwah's Dee Keough, who ran a 11:38.4. Another sophomore, Liz Figlar of Ridgewood, claimed the 800-meter run in 2:20.

Young Park of Dwight-Englewood doubled by taking the shot with a throw of 37-9 and the discus with a toss of 120-2.

The 100-meter hurdles went to Allison Orsi of Indian Hills in 15.6 and the 400 to Jennifer Powell of Teaneck in 64.4. Teaneck's Matilda Miranda claimed the 400 in a near-record time of 57.4

And the final test was the 1,600-meter relay in which Teaneck fought off an early challenge by Queen of Peace to win in 4:02. Jennifer Powell, Trenace Mickens, Golden, and Miranda made up the winning quartet.
